ANNUAL REPORT

CINCINNATI
Achievement Academy

Mission Statement

To create a culture of high expectations for scholars by providing a college preparatory, relevant curricula, and a focus on achievement. It is our goal that our scholars will attend a college prep high school and ultimately gain acceptance and graduate from a four-year college. It is our expectation that 100% of the graduates will become positive change agents in their local communities while making a contribution to the global society. The faculty and staff are dedicated to providing scholars with the skills necessary to think, communicate, and live in a civil society. Central to this mission is the creation of a school community characterized by discipline, love, order, and respect.

Sponsor Statement

St. Aloysius, as the sponsor of this school, is legally mandated to provide oversight, monitoring, and technical assistance. As part of the monitoring process, the performance of the school on each of the required Ohio School Report Card components is assessed and evaluated. Additionally, St. Aloysius has a regular presence at school board meetings where student performance indicators such as attendance, behavior, and academic achievement are tracked and financial and organizational issues that impact student success are reviewed and discussed. Key to the oversight, monitoring, and technical assistance is St. Aloysius' review of the school's Ohio Improvement Process (OIP) plan development and implementation. As a result of our thorough oversight and monitoring, St. Aloysius has determined that this school is substantially compliant with the rules and regulations governing community schools.

All community school sponsors are required to submit a written report of the evaluation results of the school's academic (State prescribed academic data is not available for SY2020-2021), financial, and organizational performance, as well as the school's legal compliance to the Ohio Department of Education. This report must be made available to parents of students enrolled in the community school by November 30th of each year under OAC 3301-102-05 (A) (3). An Annual Report regarding the performance of this school and other schools under the sponsorship of St. Aloysius will be posted on our website at www.stalschildren.org/charterschools and www.charterschoolspec.com no later than November 30, 2021. Parents are urged to review this report, in addition to other monitoring and evaluation reports available through the school or the sponsor, for a full understanding of the school's performance.
